¹ Keep the title simple and descriptive. It should give a clear, at-a-glance indication of the subject so that readers can make a quick decision as to whether or not to read further

² only for Synthesis Reports

ACKNOWLEDGEMENTS³ *CENTERED 14 PT TIMES NEW ROMAN BOLD*

This report is published as part of the Climate Change Research Programme 2007-2013. The programme is financed by the Interdepartmental Committee for Strategy for Science, Technology and Innovation and the Department of Environment, Heritage and Local Government. It is administered on behalf of the Department of the Environment, Heritage and Local Government by the Environmental Protection Agency which has the statutory function of co-ordinating and promoting environmental research.

DISCLAIMER *CENTERED 14 PT TIMES NEW ROMAN BOLD*

Although every effort has been made to ensure the accuracy of the material contained in this publication, complete accuracy cannot be guaranteed. Neither the Environmental Protection Agency nor the author(s) accept any responsibility whatsoever for loss or damage occasioned or claimed to have been occasioned, in part or in full, as a consequence of any person acting, or refraining from acting, as a result of a matter contained in this publication. All or part of this publication may be reproduced without further permission, provided the source is acknowledged.

The EPA CCRP Programme addresses the need for research in Ireland to inform policymakers and other stakeholders on a range of questions in relation to environmental protection. These reports are intended as contributions to the necessary debate on the protection of the environment. *12pt Times New Roman*
