Application to the Environmental Protection Agency for the review of an IPC Licence

Notice is hereby given in accordance, with section 87(1)(a) of the Environment Protection Agency Acts 1992 and 2003, that Saint-Gobain Performance Plastics, Kilrush, County Clare, Reg. No 96 will submit information to support the determination of an IPC licence review for class 12.2.2: the use of coating materials in processes with a capacity to use at least 10 tonnes per year of organic solvents. This review is being undertaken to regularise the existing emission points. The reference number of this review in the Register of Licences is Reg.No. 748. A copy of the application for the review of the licence and such further information relating to the application as may be furnished to the Agency in the course of the Agency's consideration of the application will as soon as practicable after receipt by the Agency, be available for inspection or purchase at the Headquarters of the Agency.

PERFORMANCE PLASTICS

1st September 2005

Clare County Council,
Planning Section,
Westgate Business Park,
Kilrush Road,
Ennis,
Co. Clare.

Dear Sir/Madam,

Please note that Saint-Gobain Performance Plastics Kilrush, based at Kilrush, Co. Clare (Townland of Ballyurra, National Grid Reference 0998E, 1558N), intend applying to the Environmental Protection Agency for an IPPC Licence, specifically covering class 12.2.2 the manufacture or use of coating material in processes with capacity to use at least 10 Tonnes per year of organic solvents, not included in class 12.2.1.

A copy of the application for the licence may be inspected at or obtained from the headquarters of the Agency as soon as is practicable after the receipt by the Agency of the application for the licence.

Please do not hesitate to contact me with any query that you may have.

Yours sincerely,

Eddie Cooke
