Re: Notice of extension of period for consideration of objections to the proposed determination on an IPPC licence review application by Dairygold Co-operative Society Limited located at Castlefarm Centre and Clonmel Road Centre, Mitchelstown, County Cork.

Dear Ms Kennedy

I refer to the objections to the Agency’s proposed determination on the above referenced IPPC licence review application.

I am to notify you in accordance with the provisions of Article 40(1) of the Environmental Protection Agency (Licensing) Regulations, 1994 to 2004 that it will not be possible because of the complexity and nature of the information to be considered in the determination of the objection/s, to carry out the procedures for the consideration of the objection/s within the period specified in the Regulations.

I am to advise that the Agency intends to complete the consideration of the objections before 21st December 2007.

The Agency intends to issue its decision on the application before the specified date, and will take all reasonable steps to ensure that there are no avoidable delays in making its decision.

Yours sincerely,

Gráinne Oglesby
