re: Notice in accordance with Regulation 12 of the Waste Water Discharge (Authorisation) Regulations 2007

Dear Mr. Boyle,

I am to advise you of a failure of compliance with Regulations 9, of the Waste Water Discharge (Authorisation) Regulations 2007. In particular, the site notice is not 'securely erected or fixed in a conspicuous position adjacent to a public road at the point nearest to the waste water treatment plant so as to be easily visible and legible by persons using the public road'.

The Agency therefore requires you, in accordance with Regulation 12 of the regulations, to

- Erect and maintain a further site notice in accordance with Regulation 11 of the Waste Water Discharge (Authorisation) Regulations 2007 for a period of at least 1 month; and
- Submit a copy of the text of the site notice, a dated photo and an appropriately scaled drawing (no larger than A3) showing its location at the waste water treatment plant. The notice should be accessible and visible from a public roadway.

Please supply the information in the form of one original plus one copy within 4 weeks of the date of this notice. In addition please submit one copy of the requested information in electronic searchable PDF format on a CD-ROM to the Agency. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is D0254-01. Please direct all correspondence in relation to this matter to *Administration, Environmental Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Loretta Joyce
