**APPLICATION TO THE  
ENVIRONMENTAL  
PROTECTION AGENCY FOR A  
LICENCE**

McHale Engineering, Rathcareen  
and Creagh Demesne, Ballinrobe,  
County Mayo is applying to the  
Environmental Protection Agency  
(EPA) for a Licence for its existing  
farm machinery manufacturing  
facility at Rathcareen, Ballinrobe,  
County Mayo. The proposed  
development involves the  
construction of an 18,000 square  
metre extension to the existing  
building and the introduction  
of a new painting process –  
electrophoretic coating. The  
class and nature of the industrial  
emissions directive activities  
in accordance with the First  
Schedule to the Act of 1992  
is:

12.3 - Surface treatment of  
metals or plastic materials  
using an electrolytic or chemical  
process where the volume of the  
treatment vats exceeds 30m³

An Environmental Impact  
Statement will be submitted to  
the Agency with the application.  
The Environmental Impact  
Statement, and any further  
information relating to the  
effects on the environment of  
the emissions from the activity,  
which may be furnished to the  
Agency in the course of the  
Agency's consideration of the  
application, will be available  
at the headquarters of the  
Agency.

A copy of the Environmental  
Impact Statement has been  
submitted to Mayo County  
Council.

A copy of the application for  
the licence may be inspected  
on the Agency's website or  
inspected at or obtained from  
the headquarters of the Agency  
as soon as is practicable after  
the receipt by the Agency of the  
application for the licence.
