Re: Waste Licence Application in respect of Bio Agrigas Limited at Newdown, The Downs, Mullingar, Co Westmeath  

Dear Mr O'Connor  

Further to your submission of 19 September 2013, received on 23 September 2013, in relation to an application for a Waste Licence in respect of Bio Agrigas Limited at Newdown, The Downs, Mullingar, Co Westmeath.  

I am to advise you, in accordance with Regulation 42(8)(a) of the European Communities (Birds and Natural Habitats) Regulations 2011 and 2013, that the Agency has made a determination that an Appropriate Assessment is not required, as the project, individually or in combination with other plans or projects, is not likely to have a significant effect on a European site(s). Notification of this determination is attached for your reference.  

The application and associated correspondence, including acknowledgements, notifications and general correspondence are available to view on the Agency website at www.epa.ie. You are advised to refer to the website for information on the progress of the application.  

Please direct any further correspondence in relation to this matter to Administration, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, County Wexford.  

Yours sincerely  

Bea Claydon  
Programme Officer

Appropriate Assessment Screening Determination

In accordance with Regulation 42(1) of the European Communities (Birds and Natural Habitats) Regulations 2011 and 2013, the Agency has undertaken Appropriate Assessment screening to assess, in view of best scientific knowledge and the conservation objectives of the site, if the proposed activity, individually or in combination with other plans or projects is likely to have a significant effect on a European Site(s). In this context, particular attention was paid to the European Site(s) listed below.

AA Screening Determination:

That the proposed activity is not directly connected with or necessary to the management of the site as a European site and that it can be excluded, on the basis of objective information, that the proposed activity, individually or in combination with other plans or projects will have a significant effect on a European site, and accordingly the Agency determined that an Appropriate Assessment of the proposed activity was not required.

The reasons for which the Agency determined that an Appropriate Assessment of the proposed activity is not required are as follows:
- The facility is not located within a European Site.
- The activity will not result in damage to, or loss of, habitat in a European Site.
- There will be no process discharge from the facility to the European Sites.
- Storm water is the only proposed discharge to surface water from the facility.
