

## **Registration Form for Registration of Coal Bagging Operations under Article 8 of the Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations 2012 (Statutory Instrument No. 326 of 2012).**

### **Background information**

The Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations 2012, S.I. No. 326 of 2012, (the Regulations) require, among other things, coal bagging operators to:

1. Register the Environmental Protection Agency annually before September 1;
2. Provide the Environmental Protection Agency with information it may reasonable require for the purposes of fulfilling its functions.

Also, the Regulations prohibit a person or body from the placing on the market, sale or distribution of bituminous coal for residential use within the State unless:

1. The sulphur content of the bituminous coal is less than 0.7% by weight;
2. The coal is sealed;
3. The person or body concerned holds records confirming the product contains less than 0.7% sulphur by weight; and
4. The person or body concerned is registered with the Environmental Protection Agency.
