

# B2B reporting: significance and data quality

Isabelle Kurz, [i.kurz@epa.ie](mailto:i.kurz@epa.ie), 053 916 0684

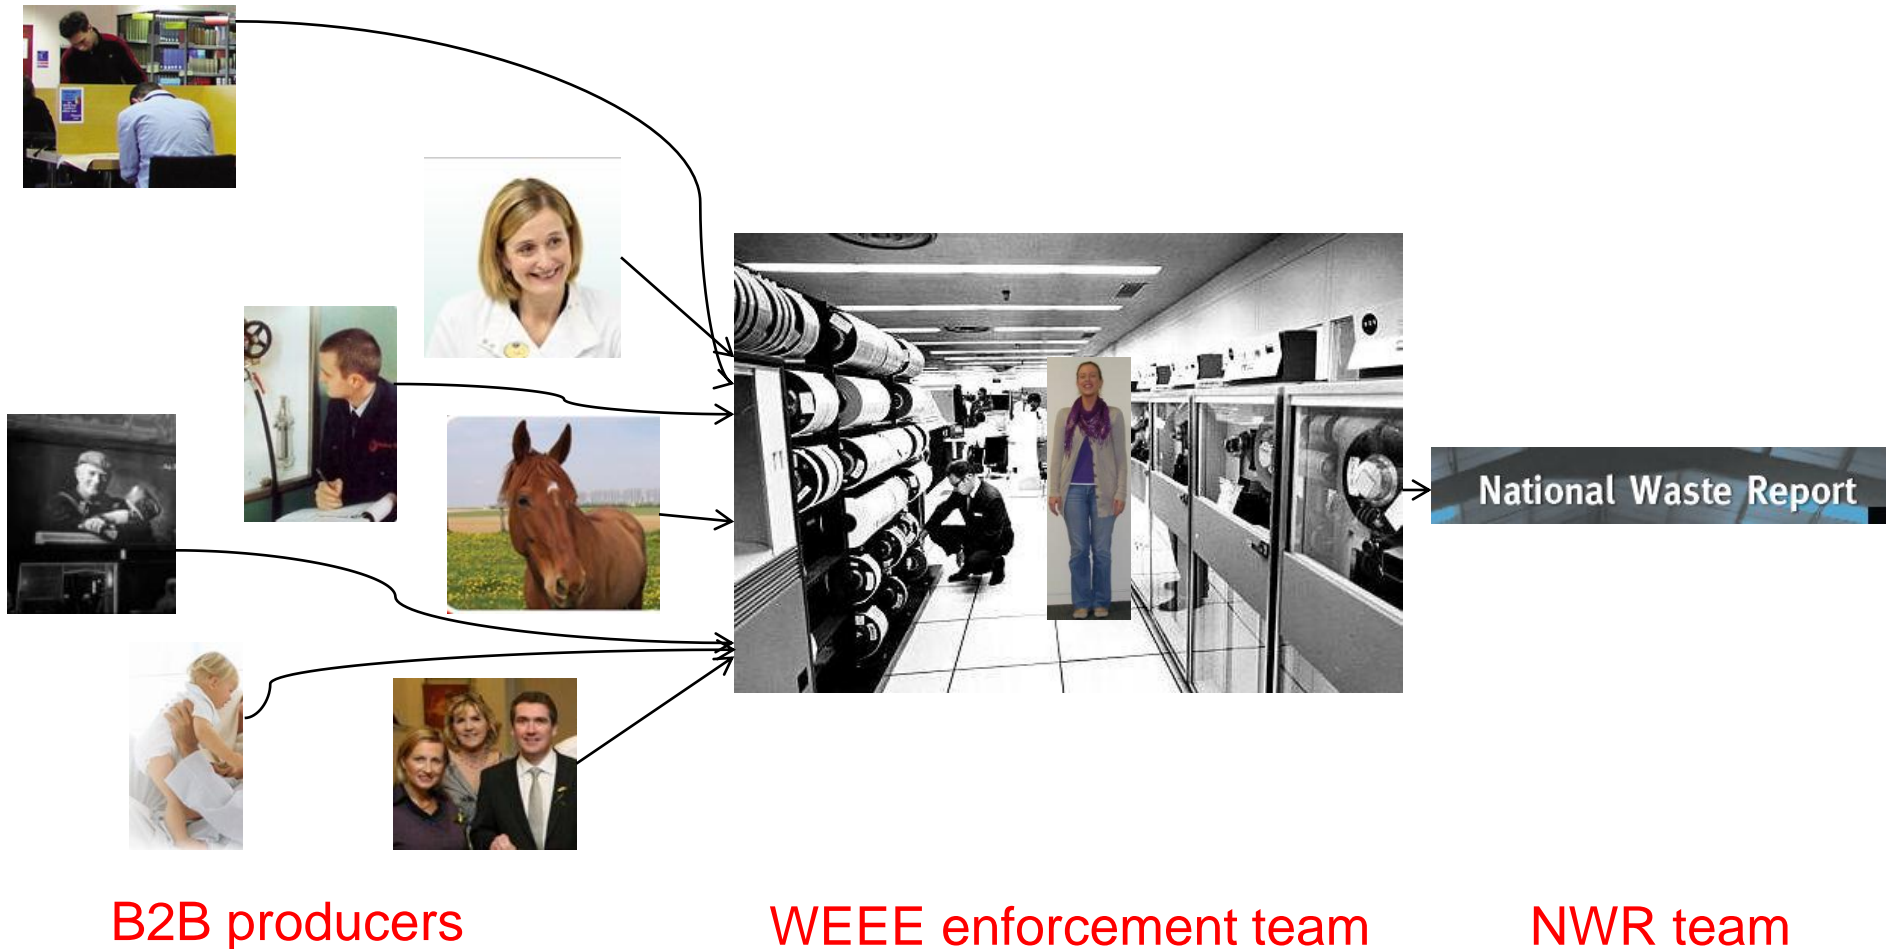

# Outline

- Why do B2B producers need to supply annual reports?
- What are the data from the reports used for?
- Will there be changes to the data we ask for?

# Requirement for annual reports

- Statutory obligation
- Provide data for national and international reporting:

# B2B data submission and processing

# Where is your data reported?

	Type of report	Frequency
	National waste report	Every year.
 European Commission	Report for WEEE directive	Annual data submitted every second year.
 European Commission	Waste Statistics Regulations return	Every second year.

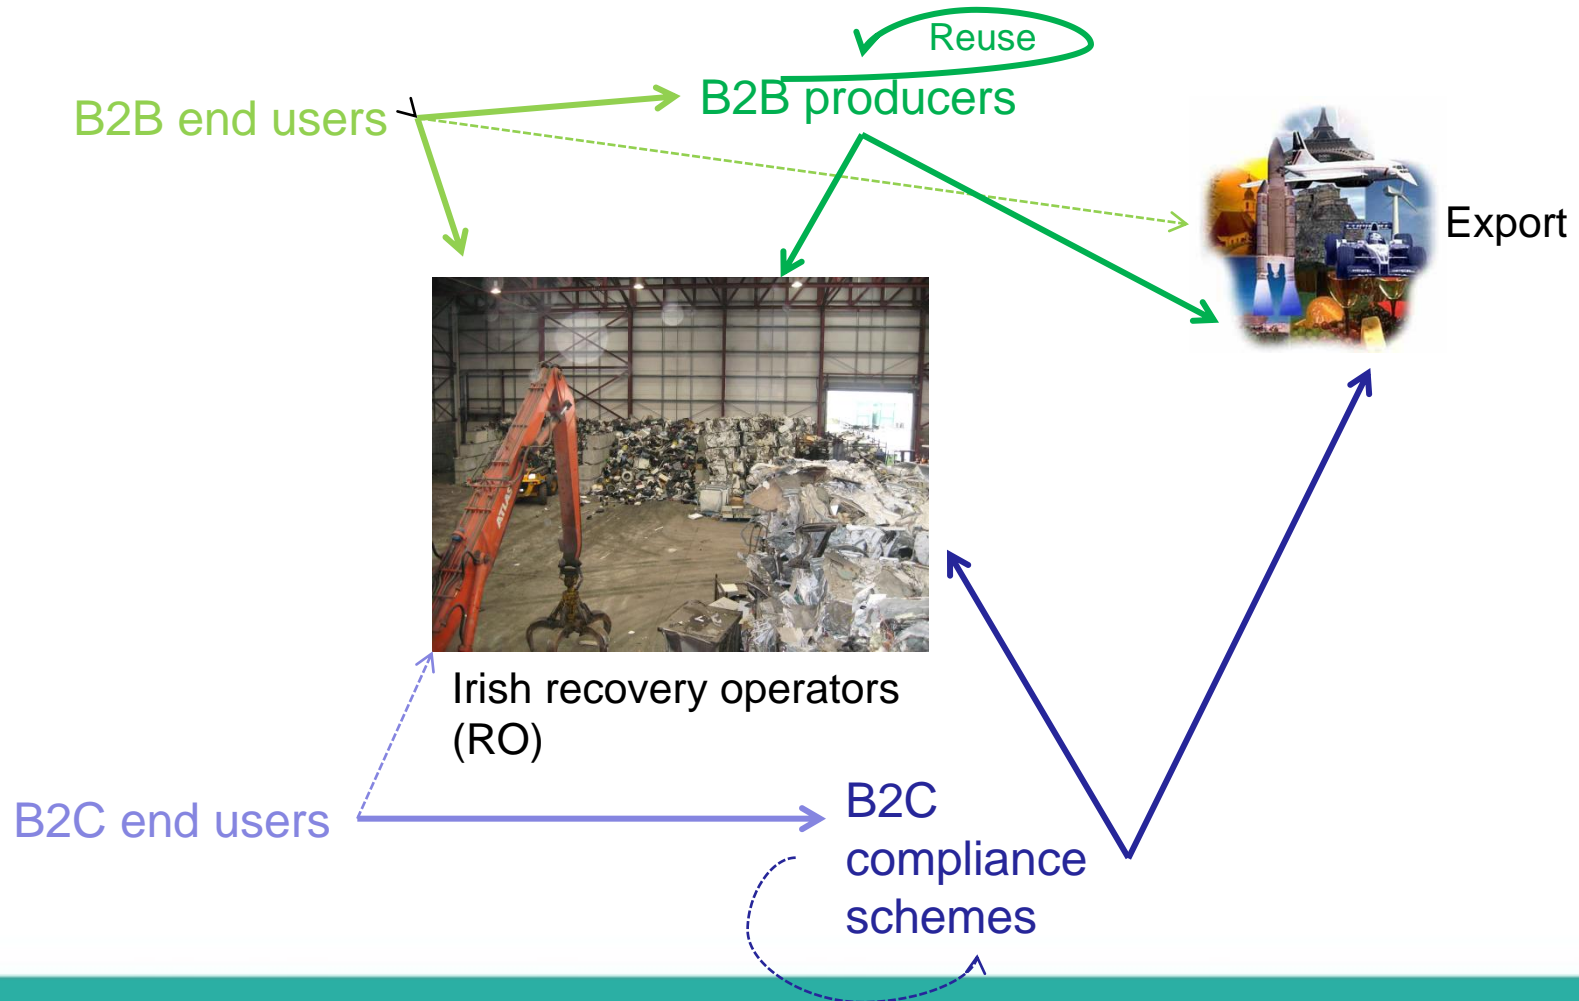

# The ideal world

Total WEEE = B2C + B2B producers

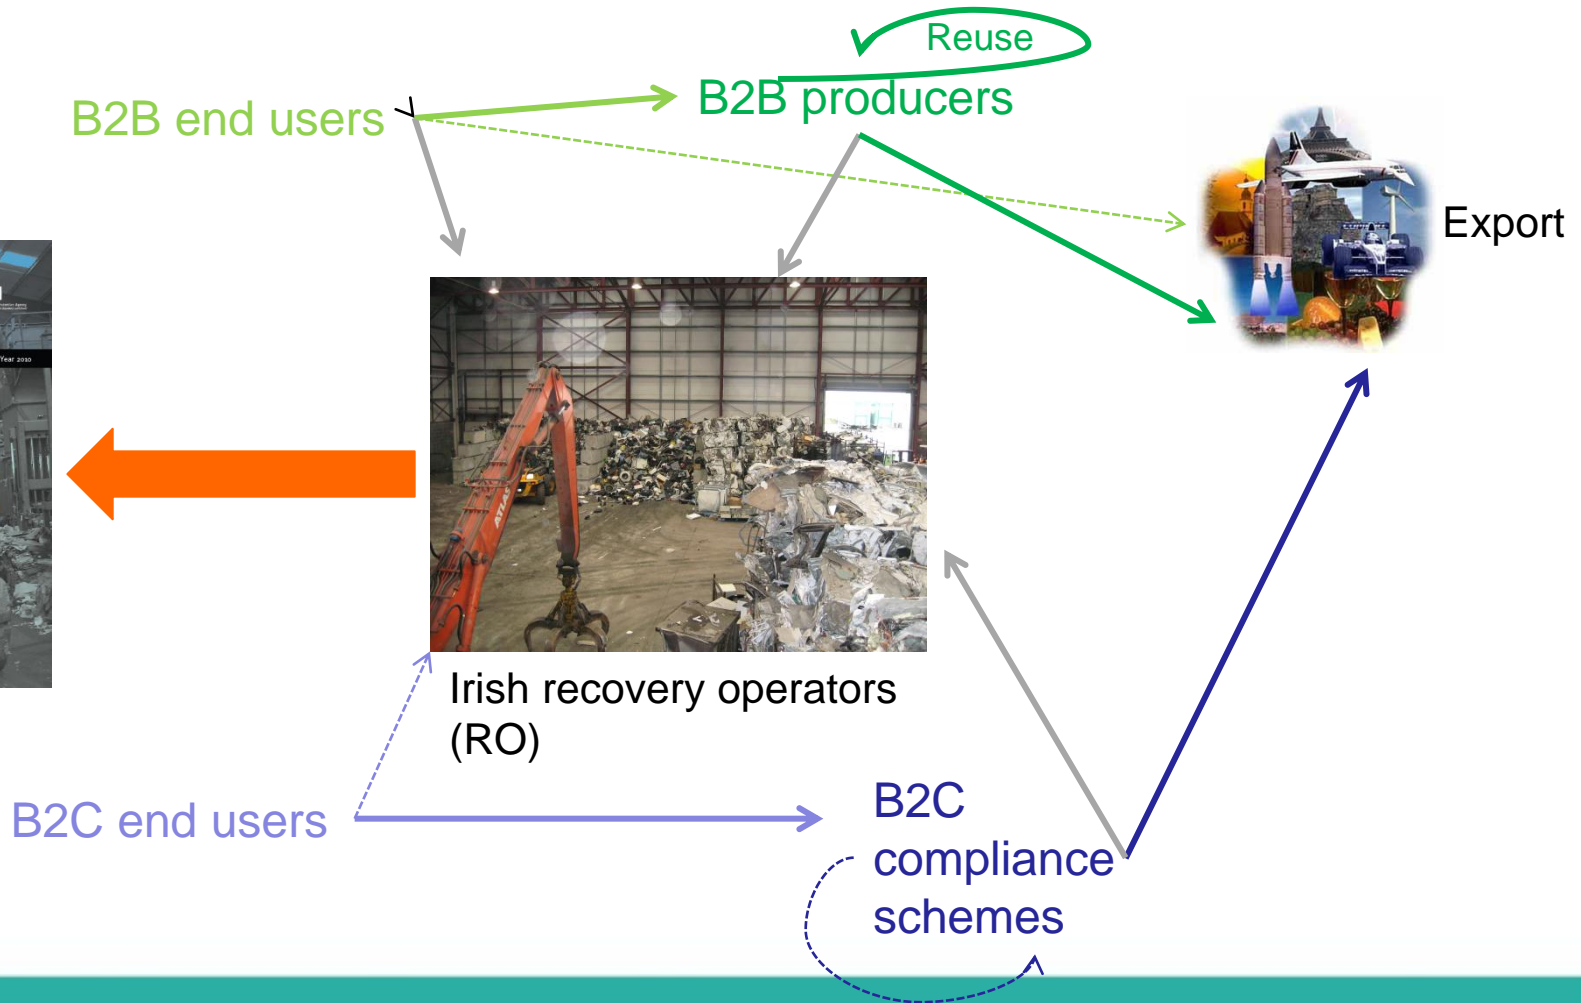

EPA

# Main WEEE flows in real world

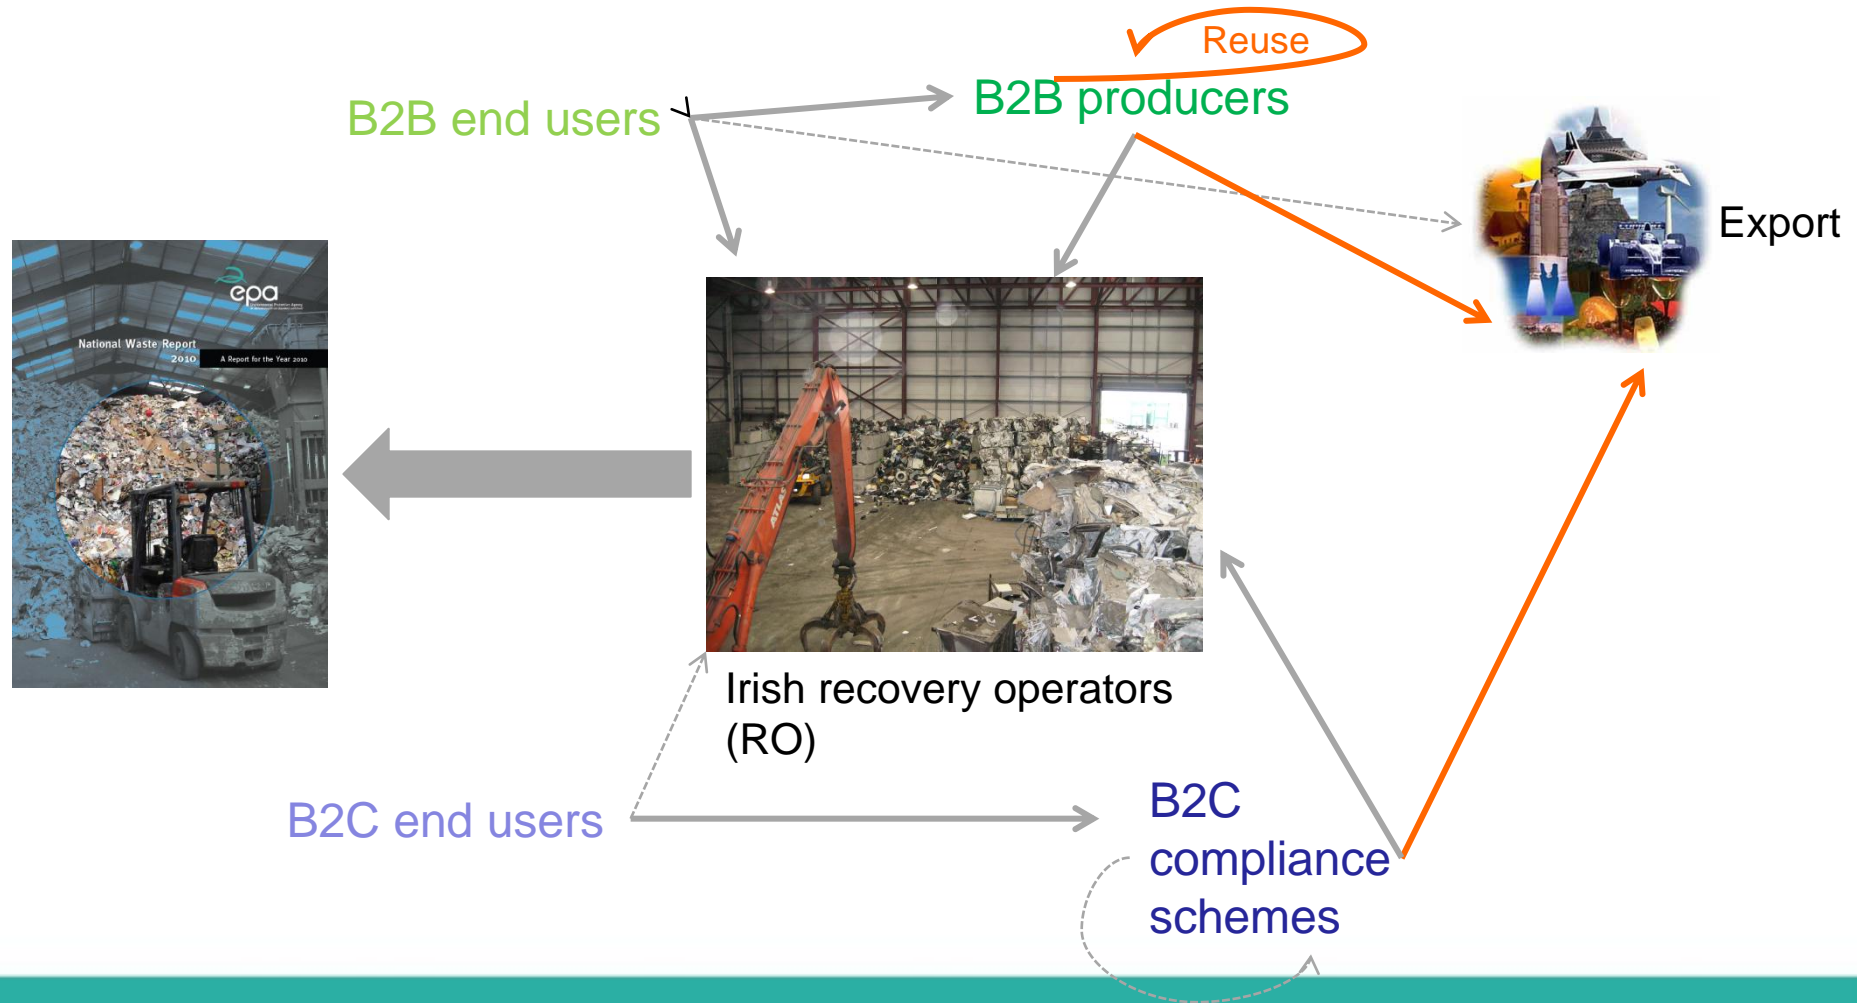

# WEEE information

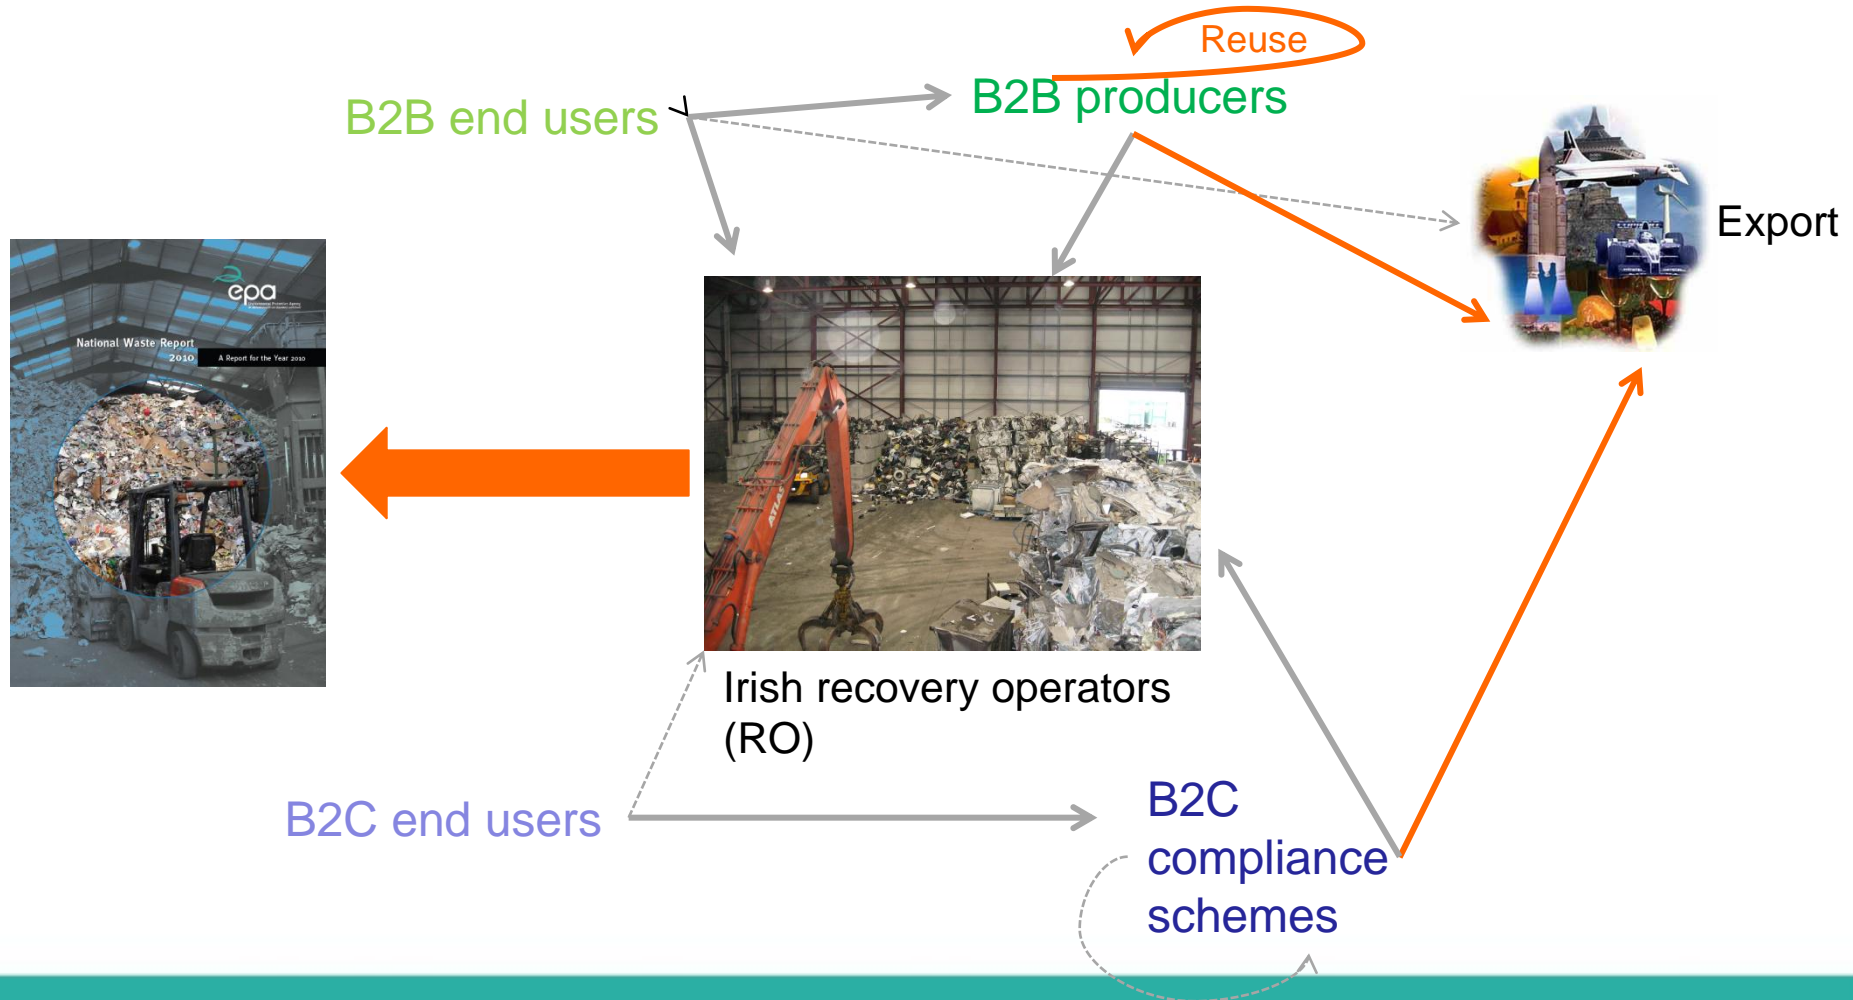

# WEEE information

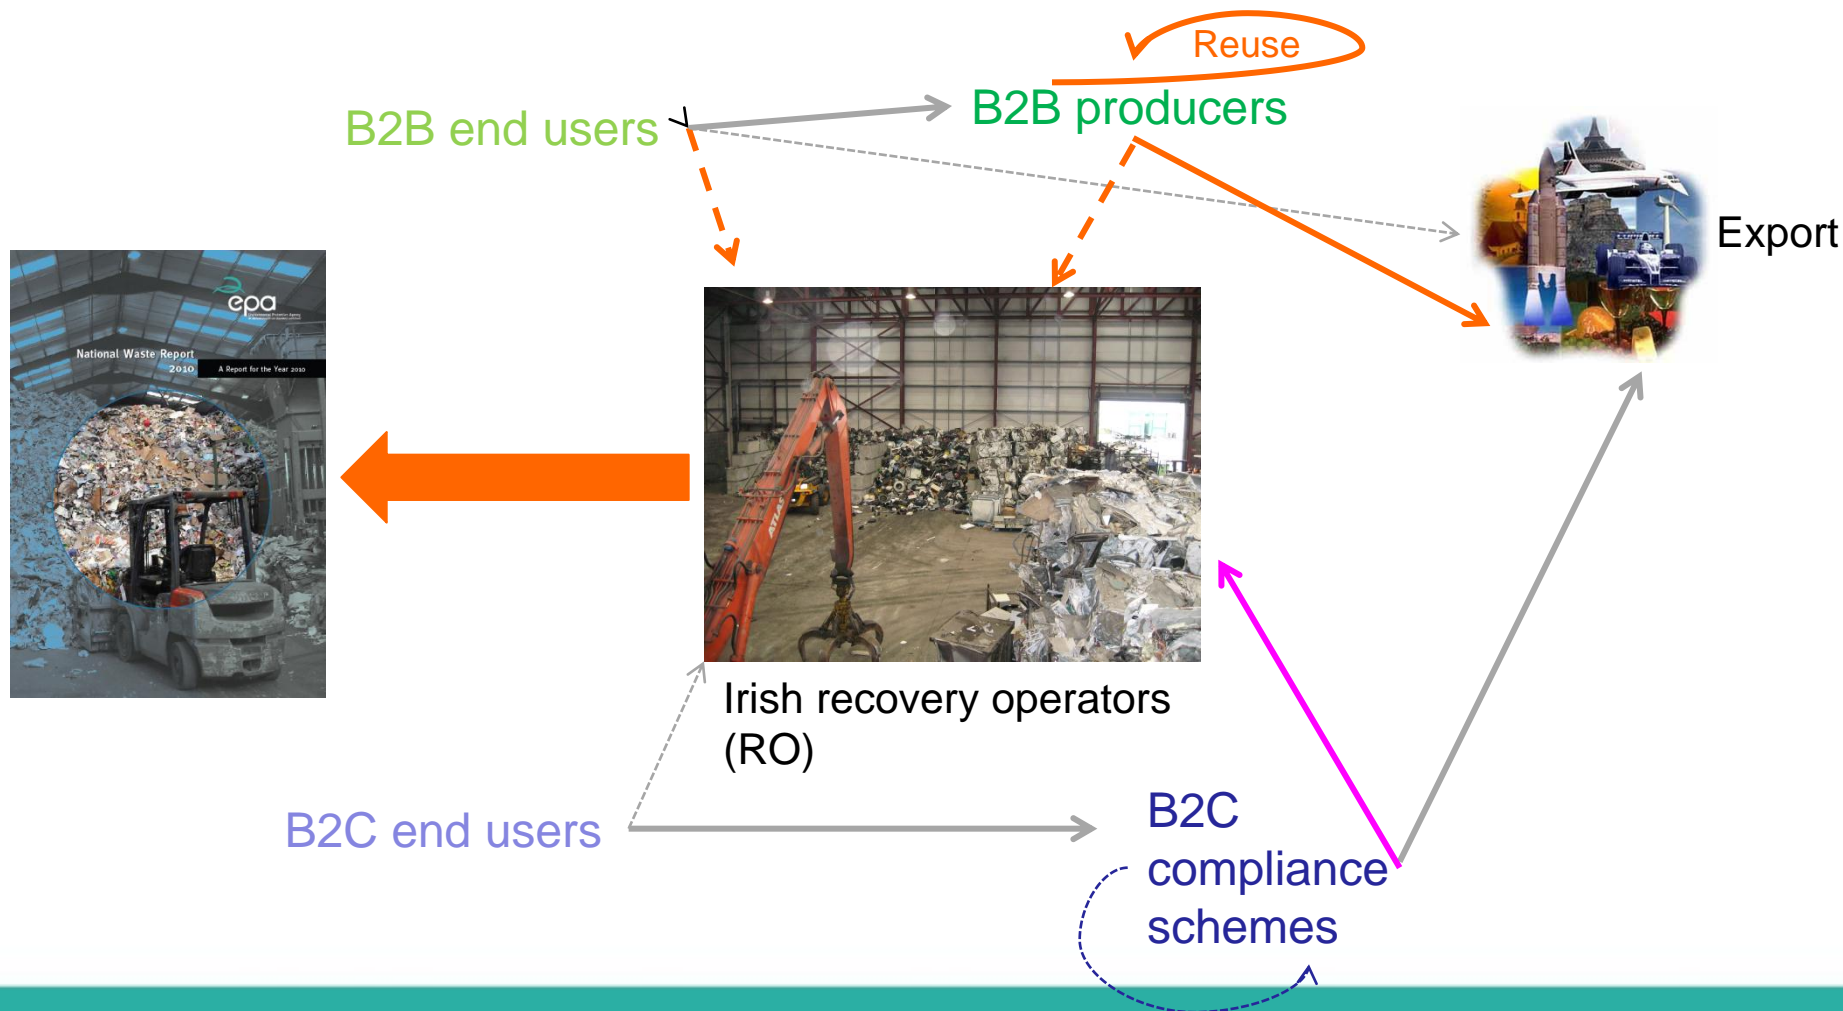

# Total WEEE = Irish RO + Export + Reuse

# Complications

- Commission wants Total WEEE collected broken down into B2B and B2C;
- Recovery operators record according to five WEEE families;
- Producers and Commission work with ten WEEE categories;
- Missing recovery and recycling rates, especially at non-IE facilities.

$B2B\ WEEE = \text{Irish RO} - \text{CS IE RO} + B2B\ Reuse + B2B\ Export$

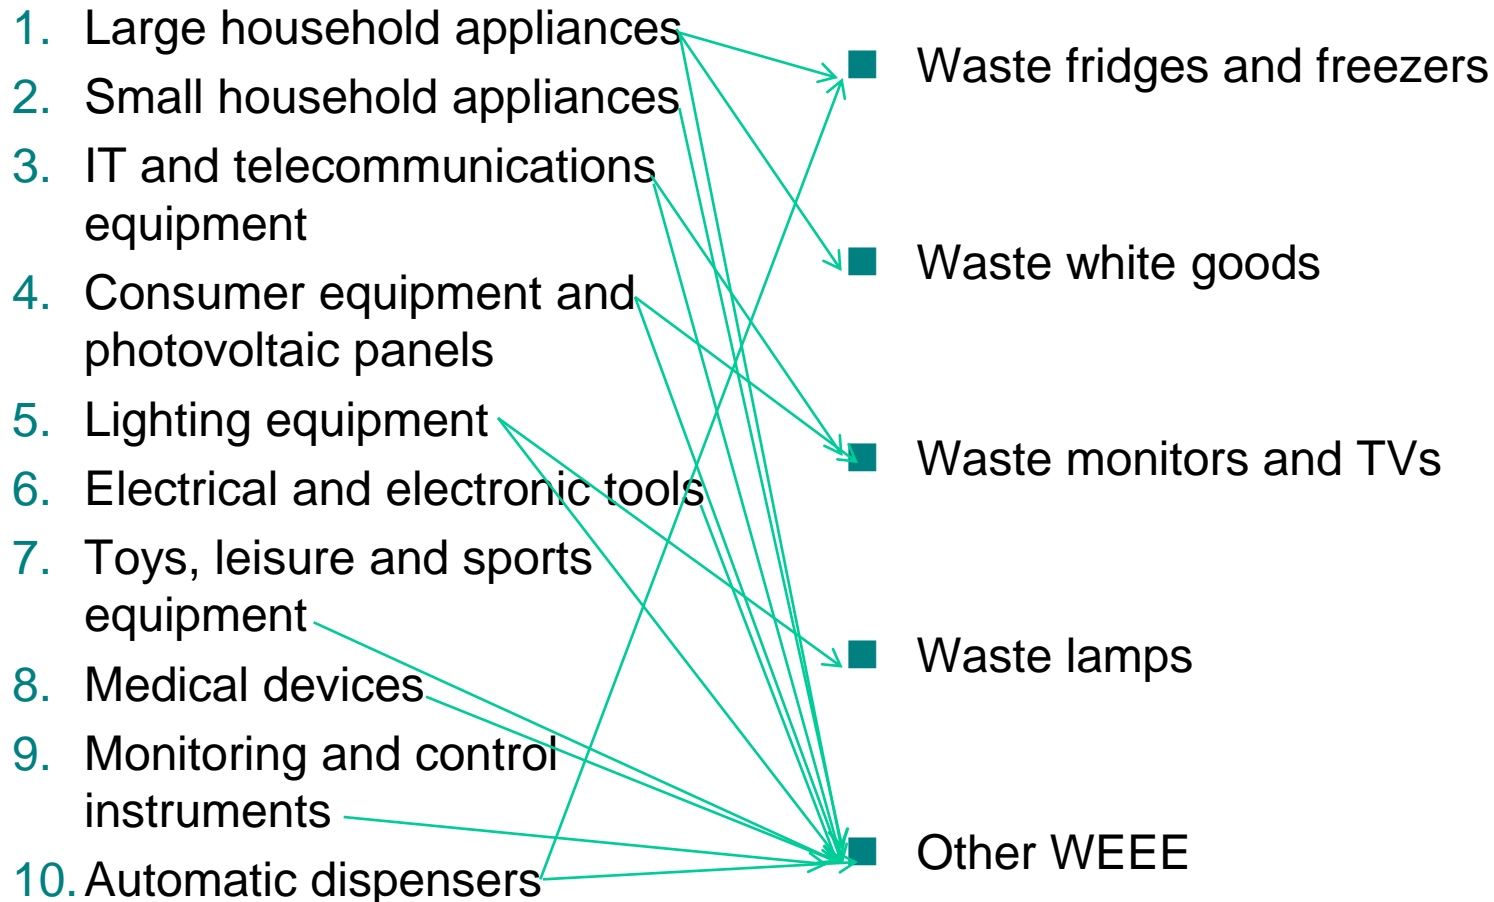

# Complications

- Commission wants Total WEEE collected broken down into B2B and B2C;
- Recovery operators record according to five WEEE families;
- Producers and Commission work with ten WEEE categories;
- Missing recovery and recycling rates, especially at non-IE facilities.

# Categories and families

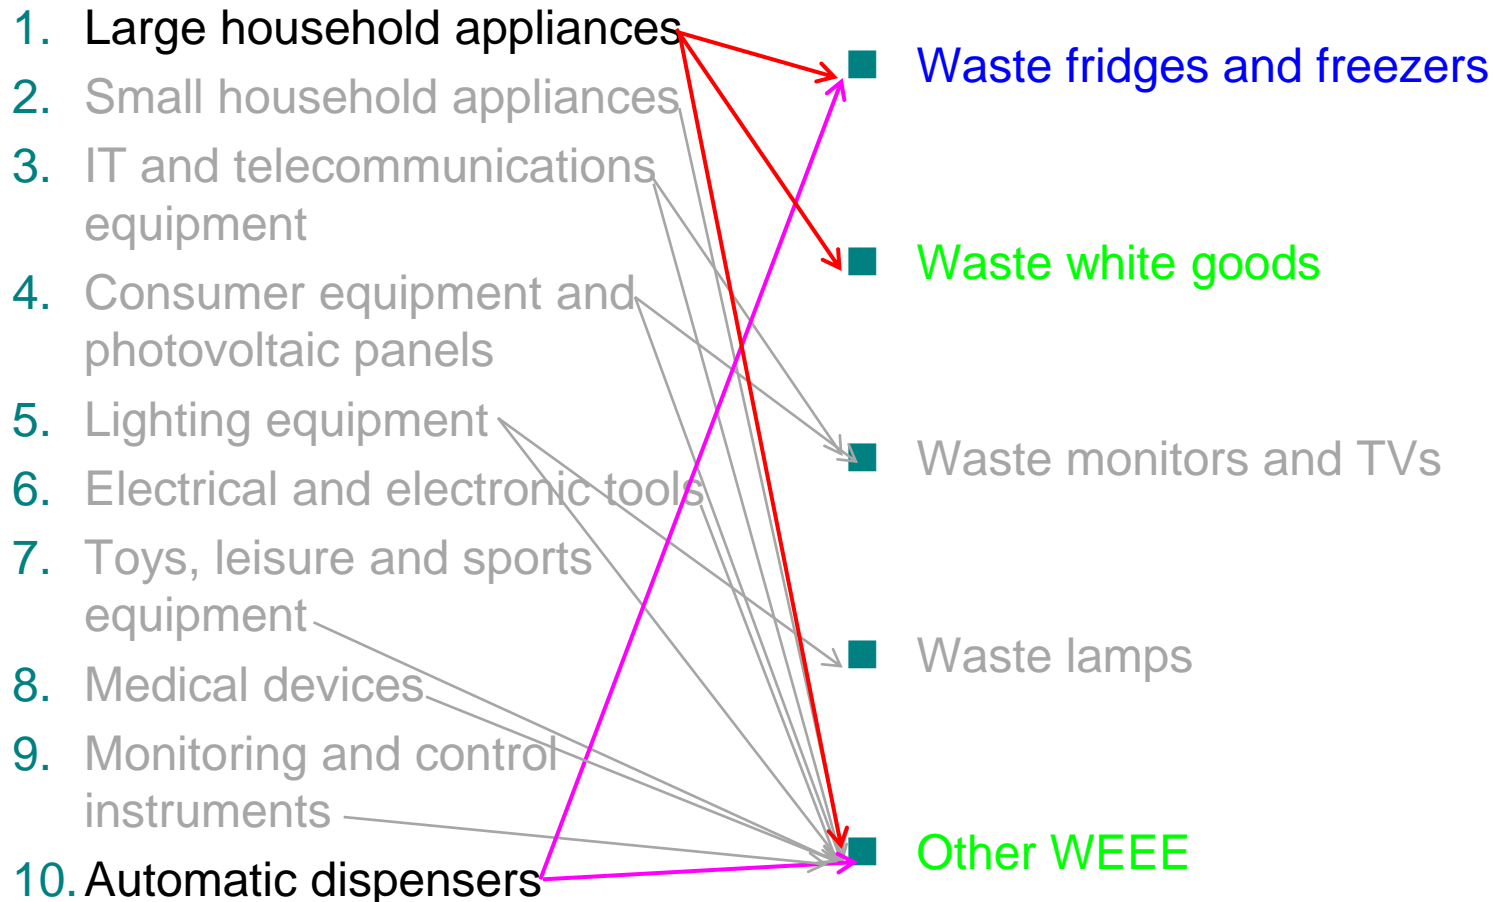

## Turn estimates into solid data

# MY WISH LIST FOR B2B

- ❖ For category 1 and 10: breakdown cold/non-cold;
- ❖ For categories 3 and 4: identify TVs and monitors;
- ❖ For category 5: breakdown lamps/fittings;
- ❖ One line description of your EEE;
- ❖ Recovery and recycling rates.

## Category 1 and 10

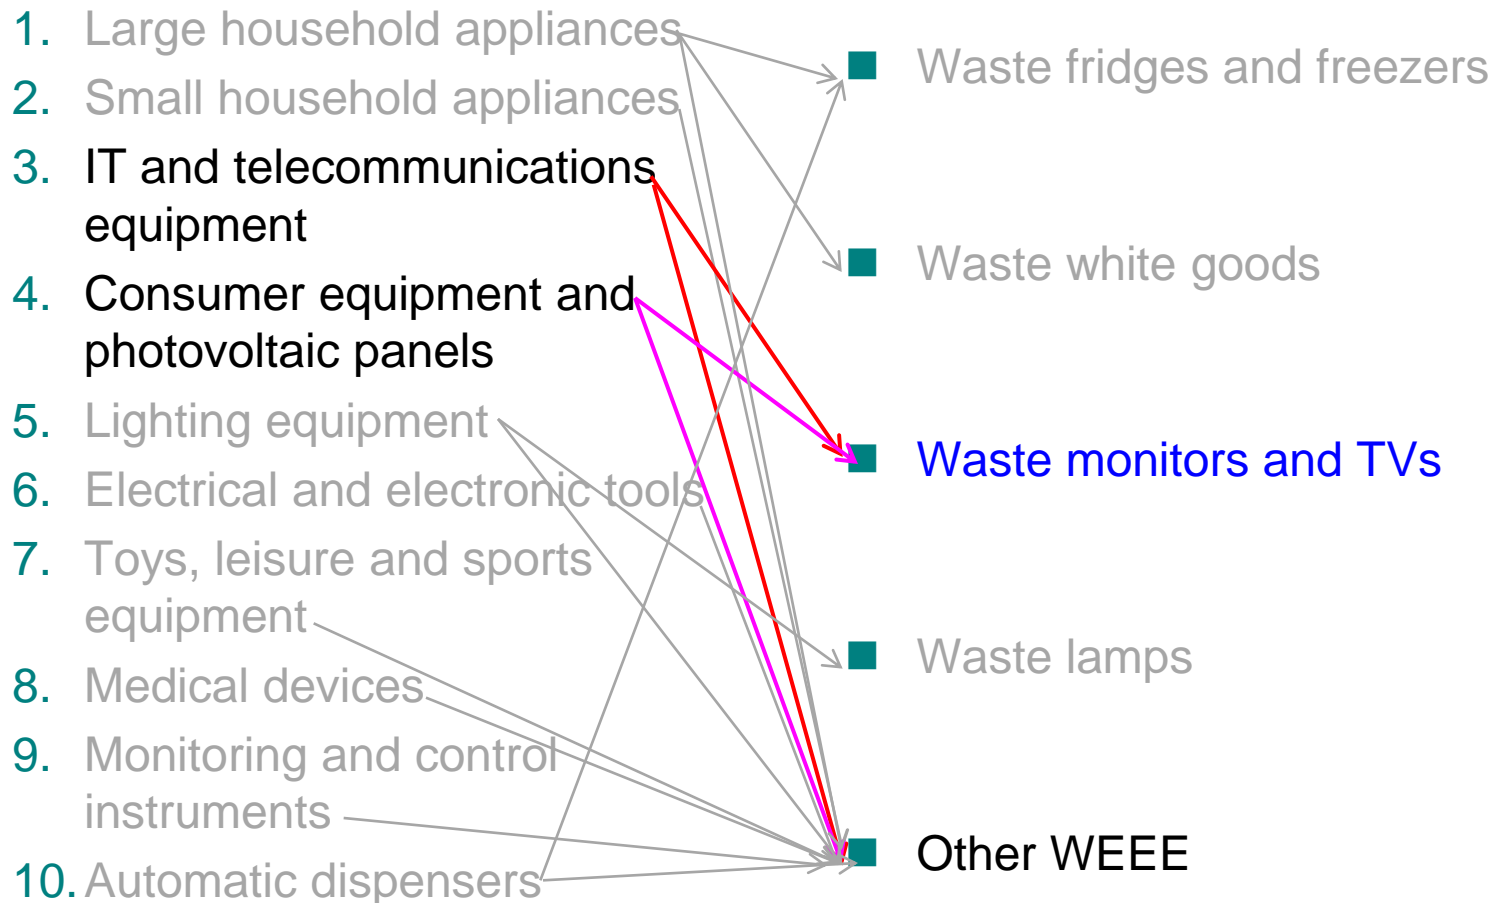

# MY WISH LIST FOR B2B

---

- ❖ For category 1 and 10: breakdown cold/non-cold;
- ❖ For categories 3 and 4: identify TVs and monitors;
- ❖ For category 5: breakdown lamps/fittings;
- ❖ One line description of your EEE;
- ❖ Recovery and recycling rates.

## Category 3 and 4

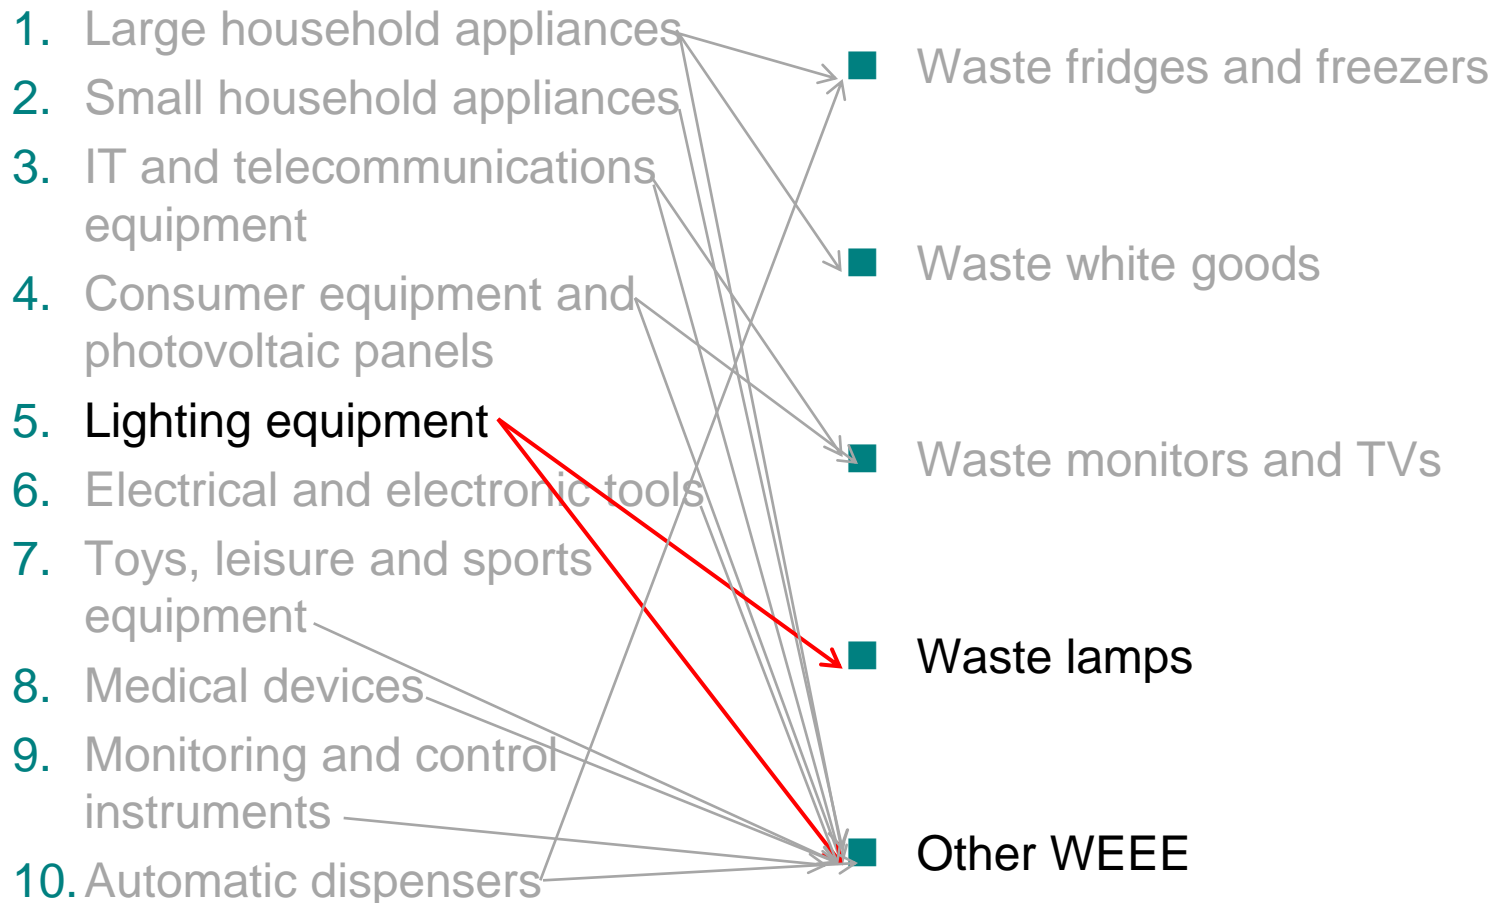

# MY WISH LIST FOR B2B

---

- ❖ For category 1 and 10: breakdown cold/non-cold;
- ❖ For categories 3 and 4: identify TVs and monitors;
- ❖ For category 5: breakdown lamps/fittings;
- ❖ One line description of your EEE;
- ❖ Recovery and recycling rates.

## Category 5

# MY WISH LIST FOR B2B

---

- ❖ For category 1 and 10: breakdown cold/non-cold;
- ❖ For categories 3 and 4: identify TVs and monitors;
- ❖ For category 5: breakdown lamps/fittings;
- ❖ One line description of your EEE;
- ❖ Recovery and recycling rates.

# Complications
