EXPLANATORY NOTE

(This note is not part of the Instrument and does not purport to be a legal interpretation.)

These Regulations are designed to promote the recycling of waste batteries. They will facilitate in particular the achievement of the targets for the collection, treatment, recycling and disposal of waste batteries in an environmentally sound manner established by European Parliament and Council Directive 2006/66/EC on batteries and waste batteries and repealing Directive 91/157/EEC.
