

Circular Business Model: Curated Online Circular Fashion

Founded in January 2024, 2nd Ave Trading is a curated online shopping platform for preloved fashion in Ireland offering customers an exciting, elevated second hand shopping experience.

2nd Ave Trading provides an easy way for women to shop and sell their preloved, quality clothing online on a trusted platform, keeping clothing in circulation longer and reducing the demand for new clothing production.

2ndAve Trading featured as a 'Local Circular Solutions' organisation at the EPA Circular Economy Conference in 2024
