## **Circular Business Model:** Clothing Reuse, Textile Waste Prevention

Founded in 2022, Change Clothes aims to make textile reuse community-focused, fun, affordable, and social. Their goal is to prevent clothing waste at a local level before it becomes a global problem, creating opportunity and change in the process.

In 2024, Change Clothes saved 10,501 pieces of clothing from landfill, saving over 147 tonnes of carbon in just 12 months.

In 2024, Change Clothes was a recipient of the Dublin City Council Social Enterprise Award and winner of the Nancy Ward Circular Economy Award.

**Change Clothes featured as a 'Local Circular Solutions' organisation at the EPA Circular Economy Conference in 2024**
