SHOE REPAIRS

## **Circular Business Model: Repair and Refurbishment of Shoes and Leather Goods**

Isaac Jackman offers designer leather repair services to customers across Ireland, providing high quality repair of all kinds of shoes, bags, and leather goods, pairing traditional methods with new techniques.

Isaac Jackman also offers a return repair service, allowing customers to avail of repair services via post, extending the service to those outside Dublin. The repair service allows customers to extend the lifespan of their purchases, keeping high-quality products in use and reducing the need to buy new.

**Isaac Jackman Shoe Repair featured as a 'Local Circular Solutions' organisation at the EPA Circular Economy Conference in 2023**
