

Circular Business Model: Global Social Impact Company, on a mission to inspire and empower everyone to fight food waste together.

Too Good To Go is a global social impact company that connects users with partners to rescue unsold food and prevent it from going to waste.

With over 120 million registered users and more than 180,000 active partners across 19 countries in Europe, Australia and North America, Too Good To Go is a certified B Corp company that operates the world's largest marketplace for surplus food.

Since its launch in 2016, Too Good To Go has helped to save over 500 million meals from going to waste, the equivalent to avoiding 1.3 million tonnes of CO₂e, 405 billion litres of water use and 1.4 billion m² of land use.

Too Good To Go featured as a 'Local Circular Solutions' organisation at the EPA Circular Economy Conference in 2022
