

Registration Application Form for Registration of Coal Bagging Operators under Article 8 of the Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations 2012 (Statutory Instrument No. 326 of 2012) as amended.

Background information

The Air Pollution Act (Marketing, Sale, Distribution and Burning of Specified Fuels) Regulations 2012, S.I. No. 326 of 2012, (the Regulations) require, among other things, coal bagging operators to:

1. Register with the Environmental Protection Agency annually before September 1;
2. Provide the Environmental Protection Agency with information it may reasonable require for the purposes of fulfilling its functions.

Also, the Regulations prohibit a person or body from the placing on the market, sale or distribution of bituminous coal, low smoke solid fuels or low smoke biomass products for residential use within the State unless:

1. The sulphur content of the bituminous coal is less than 0.7% by weight;
2. The sulphur content of low smoke solid fuel and/or low smoke biomass product is less than 2% by weight¹;
3. The fuel is supplied in sealed bags;
4. The person or body concerned holds records confirming the product contains less than the permitted sulphur content; and
5. The person or body concerned is registered with the Environmental Protection Agency.
