Re: EPA Appeal Ref E0003-01 Clare Lagan Joint Venture for Asphalt Plant at
Harristown Car Park, Dublin Airport, Co. Dublin

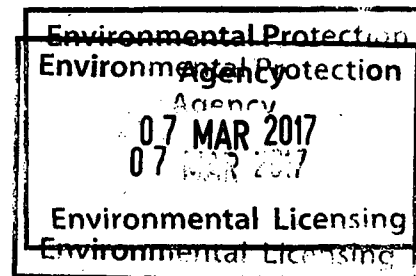

Dear Ms. Roche,

I wish to inform you that I have received today the enclosed letter from Ms. Brandi Davey, Project Manager, Clare Lagan Joint Venture, stating that they have taken the decision not to erect an asphalt plant for the works at Dublin Airport and that they no longer require an Air Emissions License. I recommend therefore that the E.P.A. now regard this application as having been withdrawn, in accordance with Section 33 (1) Air Pollution Act 1987 (Licensing of Industrial Plant) Regulations 1988.

If you have any queries with regard to this please contact me at the above address.

Yours sincerely,

George Sharpson

Re: Asphalt Plant Environmental Permit

Contractor's Ref: LCJV-1028-1008 Asphalt Plant Environmental Permit to Fingal County Council

Dear George,

Further to our email correspondence on Friday 3rd March 2017, Lagan Clare Joint Venture and Lagan Construction International have taken a decision not to erect an asphalt plant for the works to the Dublin Airport Runway Overlay Project.

For this reason, we will no longer require an environmental permit for the same.

Please do not hesitate to contact me if you require further information. For your information, I am leaving Lagan Clare in April. In my absence, please liaise with Ian Donaghey for anything beyond this date.

Yours Sincerely,
