Dear Sir / Madam,

**RE: ROADSTONE LTD: AIR POLLUTION LICENCE APPLICATION FOR THE ERECTION AND OPERATION OF A BLACKTOP PLANT AT THEIR EXISTING SAND PIT AT CLASHEEN, KILLARNEY, CO. KERRY**

Please find enclosed an Air Pollution Licence application for a proposed blacktop plant at the existing sand pit at Clasheen Townland, Killarney, Co. Kerry.

Planning permission for the installation of a mobile blacktop plant at the existing pit was granted by Kerry County Council in February 2011 (Plan File Ref. No. 10/1163). An extension of duration of the planning permission, under Section 42 of the Planning and Development Act 2000 (as amended), was granted by Kerry County Council on the 16<sup>th</sup> May 2016 and extends the appropriate period of 5 years to the 16<sup>th</sup> February 2021 (Plan File Ref. No. 10/91163).

A previous air emissions licence was granted for the proposed blacktop plant by Kerry County Council on the 22<sup>nd</sup> February 2011 (Ref. No. AP10-01). A first party appeal was made to An Bord Plenala to amend a condition of the licence and a decision by the board was made on the 29<sup>th</sup> July 2011. On the 21<sup>st</sup> December 2018 Kerry County Council environment section wrote to the applicant informing them that as no atmospheric emissions had occurred to date at the site the licence shall cease to have effect. As such there is a requirement for a new air emission licence for the proposed blacktop plant.
