Dear Sir/Madam,

Enclosed are copies of 4 appeals under the Air Pollution Act 1987.

As a party to the appeals, you may make submissions or observations in writing to the Environmental Protection Agency (“the Agency”) **within a period of one month** beginning on the date of this letter.

Any submissions or observations received by the Agency outside of that period shall not be considered and where none have been validly received, the Agency may determine the appeal without further notice to you.

Copies of the local authority documents relevant to the decision which gave rise to the appeal will be available for inspection at the offices of the local authority after the expiration of a **period of fourteen days** from the date of this letter.

Please quote the Agency’s appeal reference number in any further correspondence.

Yours sincerely,

Gráinne Oglesby
