BACKGROUND

- Interagency Group Set up Nov 2011
- NRCS published Feb 2014
- Implementation Group: March 2014

NRCS

National Radon Control Strategy
Straitéis Náisiúnta um Rialú Radóin

Roinn Cumarsáide, Gníomhaithe
ar son na hAeráide & Comhshaoil
Department of Communications,
Climate Action & Environment

THE STRATEGY CONTAINS RECOMMENDATIONS ACROSS SIX THEMATIC AREAS

- Passing preventative measures in New Buildings
- Use of property transactions to drive action
- Raising of awareness and encouraging action
- Provision of advice and guidance for householders and employers with high radon readings
- Promoting confidence in Radon Services
- Addressing Radon in workplaces and public buildings
